This bill would prohibit the release of personal information to the general public that is provided for use in Board of Equalization (BOE) proceedings unless required or authorized by law.

SUMMARY OF AMENDMENTS

The August 22, 2005, amendments double jointed this bill with SB 277, which also revises Government Code Section 11126 relating to closed sessions of public agencies. The amendments deleted provisions authorizing disclosure of timber harvest returns filed with the Board of Equalization (BOE). The amendments incorporated the changes proposed by SB 277 that authorize closed hearings by the Board of Administration of the Public Employees Retirement System (PERS) when considering matters relating to the development of rates and competitive strategy for plans offered by PERS. The remainder of the analysis of this bill as amended on June 21, 2005, still applies.
